• Target Profile

- Purchase price generally \$1 million–\$5 million (or more for right opportunity)
- Headquarters preferably within 30–45 minutes of Monticello/Big Lake
- Established business with healthy margins and sustainable cash flow
- Existing management team and approximately 30–50+ employees preferred
- Strong sales capability and established customer relationships
- Owners considering retirement, engaged in succession planning, or transition opportunities

• Preferred Industries / Business Types

- Manufacturing
- Warehousing & Fleet Services
- Building Products / Materials
- Transportation & Logistics
- Equipment Sales & Service
- Restoration Services
- B2B Service Businesses
- Agricultural Services / Products
- Automotive / Diesel Services
- Equipment Sales & Service
- Industrial Equipment & Components

• Why Engage?

- Strong financial and operational business acumen
- 19 years of people leadership and management experience
- Capital to invest, and financing resources for acquisition
- Strong commitment to employee continuity and preserving company culture
- Focused on long-term ownership and continued growth
- Dedicated to long-term ownership, growth, and positive community impact
